

Photo Instructions:

To create a Profile Picture, I need either a close head and shoulder side view picture of the animal, (suggest you have someone talk to the animal, you step to the side to take the picture) or full body in profile. Animal can be in motion, as long as I can see the outline!

Silhouette Artist Lois Idol produces hand-cut silhouettes of individuals and groups. One of only 35 silhouette artists in the country, Lois enjoys creating those special classic silhouettes that will remind you of the ones you saw on the wall as a child.

After creating silhouettes for several years, Lois took things to the next level, and is the only silhouette artist to feature full body and action silhouettes. She loves to capture a dancer or athlete in motion or a bride and groom exchanging vows or dancing.

In the spring of 2010, Lois again raised her own bar, and created an entire new line of themed logo wedding silhouettes, which starts with a silhouette of a couple getting married, and turns into Wedding invitations, response cards, thank you notes, cake toppers (Yes, featuring the wedding couple!) Cookie transfers (for the cookie bar) reception call out signs, decorated bags for out of town guests, and can probably do something you suggest that she hadn't thought of yet!

Because she works from photographs, Lois has been creating memories nationwide. She can supply specific photo instructions to capture the desired image. If the event has already taken place, she can always select a picture taken at the event with a great profile. Individuals, bridal parties, dance troupes schools, preschools, and sports teams from all over the country hire her to immortalize their events. She also works with older photos to recapture old memories. With the recent popularity in silhouetting, coupled with the small numbers of silhouette artists, Lois is also a much requested speaker. She is able to share the inspirational story of how she became a silhouette artist. She is blessed to have discovered her gift, and proud to have a job that not only allows her to create treasured silhouettes, but also participate and become a part of so many people's special memories.
